The above calendar is our school closing and activities dates. We understand that some times families are unable to provide care during school closings due to work schedules. This year we are offering care on many of these closing days at an additional cost to the parents for those who need care. Teachers will sign up to work on those days and so many slots will be available for those families to participate. Below is the list of dates we will be using.

Closed to all: Aug 25, 26th, Sept. 5th, Nov. 24, 25th, Dec. 23rd and 26th, Dec 30th and Jan 2nd, April 7th and April 10th, May 29th, June 8th and 9th

Days to sign up for additional care at an additional cost: Subject to staff coverage and enough students to participate.
